

### The Bowlers Guide to Alexandra and environs

We get a lot of bowlers and petanquers through our doors, often from outside the Central Otago area. To assist them, and to put them in touch with local companies, we are establishing a listing of businesses that want to make their services known to the community that is coming to play, spectate or officiate at Alexandra. This listing will be sent to all attendees, and be available from our website, from our Facebook page, and from the Bowls New Zealand on-line information. Our events in 2023 include the Nationals in Feb/Mar, our ANZAC events in April, and all the other events we host. This will be live from mid-January 2023.

The cost to be in this guide is \$20+GST (\$23 incl) for calendar year 2023.
