

The Bowlers' Guide to Alexandra and environs

Welcome to Alexandra! We hope you enjoy your time at the Alexandra Bowling Club, and to help you we've put together this Guide of useful information and local goods and service suppliers.

Founded during the Gold Rush of the 1860s, Alexandra has a population of just over 6000. The township is situated on State Highway 8, 188km from Dunedin, 92km from Queenstown, 33km from Cromwell, 40km from Roxburgh, and 7km from Clyde.

The area is famous for its viticulture and stone fruit, and the popular Central Otago Rail Trail passes through the town. The Alexandra Museum and Art Gallery is located at 21 Centennial Avenue and focusses on local history, in particular geology, early explorers, social history and gold mining.

Alexandra Bowling Club is situated in Molyneux Park, at the Northern end of town. It is within walking distance of Molyneux Stadium, and the park's swimming pool, ice skating/curling rink and squash club. The local Petanque Club, with its 12 pistes, is attached to the Bowling Club and uses the same clubrooms.
